

## Salers semen available from Rigel Pedigree (call Terence Pye 07982 813596)

Bull	HB/tag	DNA ref	Beta	Myo	Attributes
<b>Horned</b>					
Bruno	172/6386051716	11918012530	N	MO	Superb temperament; will add growth rate, length and breed character. His daughters will be the stand out cows in your herd.
Crocodile Dundee	279/6387062264	11918012531	N	MO	Exceptionally well bred; his dam Sierra was a multiple winner of the Paris Show. Confers length, conformation and milk. His daughters are the mothers of many champions.
Vainqueur	1/1584052218	11918012529	N	MO	Well proven for breeding moderate framed, easy fleshing, good natured, milky females.
Vauban	3/1584054531	see note 1	N	MU	Well proven, milky daughters with strong legs and feet, and good coats.
<b>Polled</b>					
KK Petro's Polled Red Sun	SIM99002	11918012532	N	MO	Heterozygous polled. One son exported to France, and high selling bulls out of daughters and granddaughters in the Rigel herd. Produces animals with moderate frame, good temperament and plenty of milk.
Say Cocaine 32C	SIM96002	11918102533	N	MO	Heterozygous polled. Progeny have moderate frame, gentle disposition, good shape. His daughters are milky and feminine.
Rigel Mojave Blk Poll	UK122086401835	105001751306	NP	MO	Homozygous polled bull; gentle temperament, excellent conformation, moderate frame and light birth weight for easy calving. His calves have real "get up and suck"
<b>Specialist</b>					
Andronic	SIM93002	see note 2	N	MU	One of the top French sires for milk, also strong growth rate.
Basile	SIM93001	see note 2	N	MU	Well balanced performance numbers, sire of Everest.
Faucon	SIM94001	see note 2	N	MU	Son of Basile, outstanding for growth rate.

With more than 20 Salers sires available, we have Salers genetics to suit every requirement and budget. Call Terence Pye 07982 813596

### Notes

- 1) We'll send a straw in for DNA testing next time we sell/use for pedigree breeding
- 2) exempt as born before 1/1/1995, calves will need to be tested
