# Aberdeen-Angus Herd Health Declaration

The Aberdeen-Angus Cattle Society takes preserving the Herd Health of members' herds very seriously. It is therefore of the utmost importance that ALL sections of the Herd Health Declaration Form are completed in full.

The Society reserves the right to exclude information on the Herd Health Declaration Form from show and sale catalogues if it is received incomplete or later than 28 days prior to the sale. In this scenario, the following wording will be used: "information on the health status was not available at time of print. Please refer to the pen card for up to date health status of the herd."
